LV2 Equity Partners is a Midwest based, operationally focused private equity group whose objective is to acquire controlling interests in niche manufacturers, value-added distributors, and specialty service companies. We invest in companies where the opportunity for substantial growth and profit enhancement exist.

Value Proposition

LV2 strives to improve the business opportunities of its portfolio companies by driving operational excellence and seeking new markets and greater penetration for the products and services of each business. By achieving operational excellence a business lowers its costs, enhances customer service, and delivers a quality product on time and at a competitive price. This becomes the sustainable advantage for the business, thus creating value. LV2's goal is to leverage its leadership skills and vision for growth to create value in each of its portfolio companies.
